

Replace multi-channel cassette recorders with computer-based recording, for increased clarity, reliability and convenience.

Multi-Channel Digital Recording

- ▶ Complete hardware and software recording system
- ▶ As simple to operate as a cassette recorder
- ▶ Windows XP computer with integrated audio interface
- ▶ SoniClear Gov Recorder 7 software pre-installed
- ▶ Record large, complex meetings with 4-8 channels
- ▶ Directly replaces court-style cassette recorders
- ▶ Digital audio files for reliable, permanent storage
- ▶ Fast note taking to highlight agenda, motions, votes

Faster Meeting Minutes

- ▶ No more juggling cassette tapes
- ▶ Hear even the softest voice with clear, digital audio
- ▶ Select from up to 8 microphone channels on playback
- ▶ Additional Gov Recorder 7 software for managing files
- ▶ Save time creating meeting minutes
- ▶ VoiceBoost audio enhancement
- ▶ Slow down speaking for easier transcription
- ▶ Speed up playback for faster meeting review
- ▶ Foot pedal control from keyboard or USB Foot Pedal

Digital Archives for Easy Access

- ▶ Recordings are stored in computer files
- ▶ Files use industry-standard audio formats
- ▶ Save time using digital storage and duplication
- ▶ Point and click to share meetings on network drive
- ▶ Staff and elected officials can recall meetings easily
- ▶ Webcast meetings for public access

Gov Recorder 7

Easy, affordable digital recording software that helps government be more efficient and responsive.

Digitally record, manage, archive and webcast important meetings:

- Board Meetings
- Sub Committee Meetings
- Planning Meetings
- Administrative Hearings
- Workgroups and Seminars
